BBSR

SKILLS SUMMARY

Languages: JavaScript, Python, SQL

Frontend: React, Tailwind CSS, HTML , CSS

Backend & Cloud: Node.js, FastAPI, Django

AI & Tools: OpenAI API, Gemini Api , Git , Gitub , Vs code

PROJECTS

AI recipe generator | [Link](#)

Python, FastAPI, Groq API (LLM), Unsplash API, HTTPX, JSON, Async Programming, AI Prompt Engineering, Image Search & Ranking Logic.

- Developed an AI-powered Recipe Generator using Groq LLM and Unsplash API that generates realistic recipes, cooking instructions, nutrition details, and matching food images from user-provided ingredients.
- Implemented advanced validation, food-safety filtering, intelligent fallback logic, and image-ranking systems to ensure accurate, safe, and consistent recipe generation with an enhanced user experience.

Corporate Politeness Translator | [Link](#)

Python, Django, HTML, CSS, Groq API, Git, VS Code

- Developed an AI-based Corporate Politeness Translator using Django, HTML, and CSS to transform rude or informal text into professional communication.
- Integrated Groq API for intelligent text processing and implemented a user-friendly interface with role-based tone customization.

Expense Tracker | [Link](#)

Python , Django , HTML , CSS , SQLite

- Developed a full-stack Personal Expense Tracker using Django, HTML, CSS, and JavaScript with features like expense management, monthly reports, and borrow/lent tracking with partial payment support.
- Designed a clean, responsive dashboard UI with authentication, real-time wallet balance calculation, and Progressive Web App (PWA) support for mobile-friendly access.

ACHIEVEMENTS

- Gained practical knowledge of AI tools, digital productivity, and workplace efficiency through the Digital Productivity with AI certification program by UNICEF.
- Participated in the 24-Hour TRITHON Hackathon 2026 as a member of team Neural Nexus at Trident Group of Institutions. * Received a Certificate of Appreciation for participating in the TRITHON 24-Hour Non-Stop Hackathon 2026 oraganized bv Trident Group of Institutions.
